

## **Investment In Excellence (IIE) Schedule of Classes**

This thirty-two hour "Investment In Excellence" training teaches people how to manage change, set and achieve goals, lead more effectively, and think in ways that create success.

A class is tentatively scheduled for later this calendar year. Please check back again at a later date and/or contact Melany Felton, 621-6934 or Charon Mckinley, 621-6958 with any questions. Thank you.

### **Organization Development & Training Division**

Our mission is to constantly build organizational effectiveness by providing the material and conceptual resources needed to improve performance and enhance the quality of work life.

We are committed to the continuous growth and development of our people.
